

Cover • Couverture

Traumatic injury remains the leading cause of potentially preventable death in Canadians under the age of 40 years.

Les traumatismes demeurent la principale cause de décès évitables chez les Canadiens de moins de 40 ans.

CJS Mission Statement: To contribute to the effective continuing medical education of Canadian surgical specialists, using innovative techniques when feasible, and to provide surgeons with an effective vehicle for the dissemination of observations in the areas of clinical and basic science research.

CJS and the Internet: Readers can find the *Canadian Journal of Surgery* online (at cma.ca/cjs). Detailed **Instructions for authors** can be found there (click on "About CJS") or on page 440 of the December 2006 issue.

Electronic submission of letters to the editor and responses to published letters are encouraged. To correspond by **email**, click on "Send Comments" on the *CJS* home page or send an email message to the attention of the *CJS* editors at pubs@cma.ca

Mandat du JCC: Contribuer à dispenser une éducation médicale continue efficace aux spécialistes en chirurgie au Canada, autant que possible à l'aide de techniques de pointe, et fournir aux chirurgiens un mécanisme efficace pour diffuser les constatations de la recherche clinique et fondamentale.

Le JCC et l'Internet : Les lecteurs trouveront en direct le *Journal canadien de chirurgie* (à l'adresse cma.ca/cjs-f). Pour les **Directives aux auteurs**, on la trouvera des instructions détaillées à «sur JCC» ou dans le numéro de décembre 2006, à la page 441.

Nous favorisons l'**envoi électronique de lettres** à la rédaction et de réponses aux lettres publiées. Pour correspondre par **courriel**, cliquer sur «Commentaires» dans la page d'accueil ou envoyer un courriel à l'attention de la rédaction du JCC, à l'adresse pubs@cma.ca
